Minoc is found in the northeastern region of the realm, nestled within the mountains. Although initially a community of artisans and gadgeteers, recently-discovered precious ores have turned it into a mining town. Minoc is essentially a rough-and-tumble frontier mining town. Furs are common, given the cold climate. It has very much the feel of a communitarian place, like an old Gold Rush town.

The Gadgeteers Guild is located in Minoc in order to provide easy access to the materials they need: the metals and ores, and the raw lumber. Minoc
